Independent Auditor's Report

To the Members of
Canadian Foodgrains Bank Association Inc.

Opinion

We have audited the financial statements of Canadian Foodgrains Bank Association Inc. (the "Association"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

March 31, 2019

1. NATURE OF BUSINESS

The Canadian Foodgrains Bank Association Inc. (the "Association") is a not-for-profit organization without share capital, incorporated under the laws of Canada and is registered with Canada Revenue Agency as a charitable organization under registration number 11883 1106 RR0001. The Association's principal activity is providing resources for relief and development activities in developing countries.

2. OPERATIONS

The Association has operated its program for a number of years with a series of grant agreements with Global Affairs Canada ("GAC"), the terms usually varying between one and five years. The current core grant agreement was signed in July 2016 for a period of five years totaling \$125 million.

The Association is also implementing an additional \$14 million GAC grant over five years to scale-up conservation agriculture in East Africa. This agreement was signed in 2015 and expires July 21, 2020.

3. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with accounting standards for not-for-profit organizations using fund accounting and include the following significant accounting policies:

a) *Revenue recognition*

The Association follows the deferral method of accounting for contributions.

Cash and other donations are recorded as they are received. These amounts include donations received directly from contributors and donations received by the member organizations and forwarded to the Association.

GAC grant revenue is recorded on an accrual basis, subject to matching terms set out in the agreements. GAC advances received in excess of GAC eligible expenses are recorded as deferred contributions and recognized in the period that the associated costs are incurred.

Foundation grant revenue is recorded on an accrual basis. Foundation grants received in excess of the foundation grant expenses are recorded as deferred contributions and recognized in the period that the associated costs are incurred.

CANADIAN FOODGRAINS BANK ASSOCIATION INC.
Notes to the Financial Statements
March 31, 2019

3. SIGNIFICANT ACCOUNTING POLICIES (continued)

b) Financial instruments

The Association initially measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost.

The financial assets subsequently measured at amortized cost include cash, accounts receivable and investments. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Market risk

Market risk is the risk to the Association's income that arises from fluctuations in interest, and exchange rates. The Association is exposed to market risk from its investing activities. The value of the Association's assets is affected by short-term changes in prevailing market interest rates.

Interest rate risk

Interest rate risk refers to the adverse consequences of interest rate changes in the Association's cash flows, financial position and revenue. The risk arises from differences in the timing and amount of cash flows related to the Association's investments. The Association does not use derivative instruments to reduce exposure to interest risk.

Credit risk

Credit risk arises from the potential that a counterparty will fail to perform its obligations. In addition, the Association is exposed to credit risk from its customers. Accounts receivable are comprised of a number of debtors, which minimizes concentration of credit risk. In addition, short-term investment certificates include government secured investments acquired through major Canadian financial institutions.

c) Capital assets

Capital assets are amortized on the following basis:

Leasehold improvements	Straight-line basis over lease term
Equipment and computers	30% Diminishing balance basis
Offshore equipment	30% Diminishing balance basis
Furniture and fixtures	20% Diminishing balance basis
Computer software	100% Straight-line basis

CANADIAN FOODGRAINS BANK ASSOCIATION INC.
Notes to the Financial Statements

3. SIGNIFICANT ACCOUNTING POLICIES (continued)

d) Land

The Association is registered as a title holder of all gifted land. All land received is recorded at its estimated fair value. This estimation of fair value includes a discount, where applicable, to reflect conditions and caveats on any given land title.

e) Reallocation of net assets

Various amounts of net assets are transferred between member accounts and other equity accounts in accordance with Board approved policy.

f) Foreign currency translation

Monetary assets and liabilities in foreign currencies have been translated into Canadian dollars at the rate in effect at the balance sheet date with any gain or loss included in income for the year. Revenues and expenses have been translated at the rate in effect on the date of the transaction.

g) Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities at the date of the financial statements and the reported amounts of certain revenue and expenses during the year. The Association's most significant estimates are the valuation provisions recorded against asset carrying values, and the useful life of capital assets. Actual results could differ from those estimates.

4. INVESTMENTS

Investments represent amounts invested in guaranteed investment certificates and term deposits. Short term investments earn interest at rates of 1.10% to 2.75% (2018: 1.10% to 2.05%) per annum and have maturity dates ranging from 23 to 332 days (2018: 20 to 270 days) after March 31, 2019. Long term investments earn interest at a rate of nil% (2018: 1.10% to 1.90%) per annum and maturity dates ranging from nil days (2018: 402 to 638 days) after March 31, 2019.

5. LAND

The Association holds several parcels of farm land. A number of parcels are held as joint title until certain conditions are met at which time the Association will become the sole title holder.

	\$ 11,325,793	\$11,124,662

CANADIAN FOODGRAINS BANK ASSOCIATION INC.

Notes to the Financial Statements

March 31, 2019

9. COMMITMENTS

The cost to complete the projects currently authorized or in progress at March 31, 2019 is estimated to be \$12,491,533 (2018 - \$12,006,549). These project costs will be funded from net assets, anticipated future donations and GAC contributions.

- a) Under the terms of the GAC core grant agreement, the Association must spend \$1 of funds raised from the public and members on eligible activities for every \$4 of GAC funding spent on eligible activities as defined in the approved program. As at March 31, 2019, the Association has spent the necessary funds on eligible activities to meet the 4:1 matching requirements for the core grant agreement (2018 – the Association has met the matching requirements for the two core grant agreements).
- b) The Association rents premises under an operating lease that expires in 2028. The future lease payments aggregate to \$1,432,009 (2018 - \$1,691,861) and include the following amounts payable over the next five years:

2019	\$151,108
2020	151,108
2021	151,108
2022	150,247
2023	142,824

10. CREDIT FACILITY

The Association has access to a revolving line of credit with a maximum availability of \$4,000,000 secured by a general security agreement and bearing interest at prime. As at March 31, 2019, no amounts had been drawn on the facility. The facility also allows the Association to arrange letters of credit from time to time to meet project needs.

11. INTERNALLY RESTRICTED NET ASSETS

The Association internally imposes restrictions on a portion of its net assets by restricting the purposes for which the assets may be used. Total internally restricted assets are \$28,037,240 which are restricted as follows:

- a) Member funds may be used only upon the direction of member agencies.
- b) General fund may be used for food assistance, nutrition, food security and agriculture and livelihood programs as authorized by the executive director or international program director in accordance with policy.
- c) The food security fund may be used under the core GAC grant agreement to fund complementary activities. The policy governing this fund permits the food security fund to be overdrawn up to a specified limit. Any fund deficit will be funded by deposits of member equity at a future date.

CANADIAN FOODGRAINS BANK ASSOCIATION INC.

Notes to the Financial Statements

March 31, 2019

11. INTERNALLY RESTRICTED NET ASSETS (continued)

- d) The climate adaptation fund may be used to support hunger-affected communities to better adapt to climate change and become more food secure, and may also contribute to climate change mitigation.
- e) Strategic reserve net assets may be used to respond to situations of extraordinary need or strategic importance. All allocations are at the direction of the Executive Committee or Board.
- f) Land reserves include donated assets which may be used at the discretion of the Board.

12. INTEREST REVENUE

Total interest earned during the year has been allocated as follows:

	<u>2019</u>	<u>2018</u>
Unrestricted net assets	\$ 491,340	\$ 379,110
Climate fund	20,395	22,629
	<u>511,735</u>	<u>401,739</u>
